

Mission Statement:

To provide training, jobs, and employment opportunities for adults with developmental and cognitive differences in Wexford, Missaukee and Osceola Counties.

The After 26 Project is a tax exempt 501(c)(3) corporation that was first organized in 2008. The name After 26 was selected because in the state of Michigan when adults with developmental and cognitive differences reach the age of 26, they age-out of the public school system. 'Project Workers' at the Depot handle a variety of responsibilities including, but not limited to: greeting; assist hosting; assist servers; bussing; dishwashing; clean-up; janitorial; scrub cleaning; prep; outside maintenance; and landscaping.
