

CRUST TAP ROOM

OUR STORY

In 2021 our leadership duo, Mike & Bradley, who have a love for approachable beer, quality food, and unmatched hospitality decided to share their love of all things craft. After a few great years in Rosemont, we decided to open our first Tap Room in the City of Chicago in 2025, showcasing the quality beer made at Crust Brewing. After years in the business our goals are still the same as day one: Consistency, Reliability, Uniqueness, Service, and Taste. That, our friends, is how we came up with the name CRUST.
