ABOUT Us

Steadfast brings an innovative, ultra-seasonal, chef-driven restaurant concept from The Fifty/50 Restaurant Group to The Kimpton Gray Hotel. Located in the heart of Chicago's Financial District and steps away from Chicago's Theater District, critics rave that Steadfast is elevating the Loop's dining scene.

At Steadfast we offer New American cuisine with beautifully composed dishes to food savvy hotel guests, pre-theater diners, as well as Chicago's passionate dining community.

Steadfast's focal point - the exhibition kitchen, invites guests from every seat in the house to personally connect with the culinary team. The exhibition kitchen houses a wood-fired oven, cast-iron plancha, and overlooks the charcuterie room.

A beautiful and original Georgia Grey Marble private dining room, given landmark status by the US Historical Society, offers comfort and elegance to diners as well as a unique private dining experience.

Steadfast's intimate space showcases a bold design, welcoming diners to a comfortably sleek, yet gracefully styled dining room. Reflecting the historical building's classic revival style architecture, Steadfast integrates restoration of original elements with custom-built components.

OUR TEAM creates a menu that combines your personal vision with our culinary touches. Whether it is a traditional meal or a unique dining format, we will create an extraordinary experience worthy of your special occasion.
