## Someone chop a green pepper!

L to R: Tim & Megan Nicholson, Brian & Rebecca Glassel

With those five immortal words, Glass Nickel Pizza Co. set out on a dream to offer the best pizza in town. Opening November 5th, 1997 on Atwood Avenue in Madison, Wisconsin, the first store was abuzz with excitement and orders. We will never forget the first call for our Deluxe Pizza and the subsequent

shout from the kitchen, "We need green pepper! Someone chop a green pepper!" Three days later our first employee was hired. He is not only still a part of our family but one of our GMs.

Thanks to the help of our neighbors, staff and community, the Glass Nickel name has grown. And while we have expanded, the veggies at each location are still chopped fresh in-house everyday. And every morning the sauce and dough is made from our own award winning recipes. The original Atwood location continues to be run by the founding family, Brian & Rebecca Glassel and Tim and Megan Nicholson (can you now guess where Glass Nickel Pizza's name came from?). And you'll still find at least one of us making pizzas, taking an order or out on a delivery. Which is exactly what you'll experience at every Glass Nickel Pizza location.

Each GNP is independently owned and operated. Many by previous employees. Owners you'll find in the kitchen, greeting you on the phone or at your door with your order. And while every Glass Nickel Pizza provides the same great food and service, you'll see that each has a uniqueness created by its owner and community. For that we are grateful. Because GNP not only strives to make the best pizza around, we also want to provide an experience that's intrinsically local. Thank you for choosing us. You, the pizza lover, are why we do what we do everyday.
