Someone chop a green pepper!

L to R: Tim & Megan Nicholson, Brian & Rebecca Glassel

With those five immortal words, Glass Nickel Pizza Co. set out on a dream to offer the best pizza in town. Opening November 5th, 1997 on Atwood Avenue in Madison, Wisconsin, the first store was abuzz with excitement and orders. We will never forget the first call for our Deluxe Pizza and the subsequent shout from the kitchen, "We need green pepper! Someone chop a green pepper!" Three days later our first employee was hired. 22 years later, he is not only still a part of our family but our GM.

Thanks to the help of our neighbors, staff and community, the Glass Nickel name has grown. And while we have expanded, the veggies at each location are still chopped fresh in-house everyday. And every morning the sauce and dough is made from our own award winning recipes. The original Atwood location continues to be run by the founding family, Brian & Rebecca Glassel and Tim and Megan Nicholson (can you now guess where Glass Nickel Pizza's name came from?). And you'll still find at least one of us making pizzas, taking an order or out on a delivery. Which is exactly what you'll experience at every Glass Nickel Pizza location.

Each GNP is independently owned and operated. Many by previous employees. Owners you'll find in the kitchen, greeting you on the phone or at your door with your order. And while every Glass Nickel Pizza provides the same great food and service, you'll see that each has a uniqueness created by its owner and community. For that we are grateful. Because GNP not only strives to make the best pizza around, we also want to provide an experience that's intrinsically local. Thank you for choosing Doug's Glass Nickel Pizza in Appleton. You, the pizza lover, are why we do what we do everyday.

A slice of Appleton pie.

Doug

Words to live by: "If you're not having fun you're probably doing it wrong." I've worked in restaurants for a long time, but I've never had fun like I have here. Everyday since we opened, in fact. That's why I didn't hesitate when I was given the chance to become a co-owner of the Appleton Glass Nickel Pizza. The commitment to outstanding food, customer service, community involvement, green efforts and most of all FUN make this a place that I'm proud to operate.

So as an Appleton resident, it's with great pleasure that my local GNP cohorts and I bring to you your own pizza place with all the great flavors and commitment that comes with the Glass Nickel Pizza name. From all us here: Laugh, have fun and enjoy!

Awards are your reward.

We strive to offer the best pizza in town. Year in and year out. And with great thanks to the support of our GNP family and customers, that's what we continue to be recognized for. So reward yourself with some Glass Nickel Pizza. Which, after all, is really all the award we need.
