Someone chop a green pepper!

The first Glass Nickel Pizza Co. (1997)

With those five immortal words, Glass Nickel Pizza Co. set out on a dream to offer the best pizza with exceptional service in town. Opening November 5, 1997, on Atwood Avenue in Madison, Wisconsin, the first store was abuzz with excitement and orders. The founders still both vividly recall the first call for our Deluxe Pizza and the urgent

shout from the kitchen, "We need green pepper! Someone chop a green pepper!" Just three days later, the first employee was hired.

Thanks to the incredible team throughout the years here at Glass Nickel, our name and our community have flourished. Supported by our neighbors, dedicated staff and the broader community, Glass Nickel Pizza Co. has grown throughout Wisconsin. Despite our expansion, we maintain our commitment to freshness – every day, at every location, our veggies are chopped fresh in-house. Each morning, our sauce and dough are crafted from our own award-winning recipes. The original Atwood location proudly houses over 250 years of combined and continuous local GNP experience. Several employees have been with us for over 10, 15, even 25 years! Together, our founders, leadership team and crew have journeyed from a humble carry-out/delivery spot to a thriving full-service dine-in establishment embraced by the vibrant community of "the East Side."

Each Glass Nickel Pizza in Wisconsin is locally owned and operated, by the founders or former GNP employees. Whether in the kitchen, at your door with your order, or supporting the leadership team, you'll find owners dedicated to delivering the same exceptional food and service. Yet, each location has a unique character shaped by its owner and community. For that, we are deeply grateful. At GNP, we don't just strive to make the best pizza – we aim to provide an intrinsically local experience that brings people together and brightens your day.

Thank you for choosing us. You, the pizza lover, are why we get to do what we love every day.

A slice of Appleton pie.

Stacy

Pizza Appleton as a driver, later becoming the delivery manager working alongside the owner. Stacy saw the difference in GNP and decided to open her Glass Nickel Pizza store in her hometown of Neenah/Menasha. Stacy's time at the Appleton store always held a special place in her heart. And as fate would have it, the opportunity to become the owner of the store knocked on her door – and she answered it with great enthusiasm. When she is not in the shop alongside her crew, you will find her doing what she loves most: delivering amazing pizzas with top-notch service!

IN PIZZA WE TRUST®

Stacy has always been a pizza enthusiast and has always loved delivering pizzas. It was during her stint as the owner of a large chain pizza shop that she realized that what she loved the most was delivering quality pizzas to families and seeing their happy faces every time their meal arrived.

So, Stacy decided she would get back to what she loves and took a position at Glass Nickel
