

# PEACH PIT

Welcome to the Peach Pit. A base of Sweet Baby Ray's spicy peach BBQ sauce and house blend cheese is topped with pulled pork, red onions, jalapeños and juicy diced peaches, stacking up to a pizza that's smoky, sweet and totally iconic. All the flavor. None of the drama.

# BONELESS WINGS

Boneless wings are back! Try them with a side of Sweet Baby Ray's spicy peach BBQ sauce for some sweet heat — like a summer in Beverly Hills.

# STRAWBERRY SWIRL CAKE

Golden yellow cake layers are filled with strawberry buttercream and sweet strawberry jam, then frosted with even more strawberry buttercream and wrapped in white chocolate shavings. It's rich and dramatic, just like the 90210.

GLASS NICKEL PIZZA CO.
