A LOVE FOR SUSTAINABILITY AND COMMUNITY.

It's in our DNA. From eco-box food containers, composting and solar energy, to hybrid and electric delivery vehicles. From using real Wisconsin cheeses, local produce and products, to support of local charities and non-profit organizations. Responsibility for the environment and community was a goal before the first pie was ever put in the oven. Because for us it's a fun and, well, natural thing.

- Solar water heaters
- LED and compact fluorescent lighting
- Local produce & products
- Real Wisconsin Cheeses
- Eco-box food containers and recycled pens
- Post-consumer recycled paper & soy inks
- Supporting the community by donating to local charities and non-profit organizations
