CULINA'S FEATURED SELECTIONS

Luis' Choice

VIE DI ROMANS DESSIMIS | 132
friuli isonzo. 2022 pinot grigio

A reminder that skin contact wines are still relevant and delicious! From the bottle, the color is beautifully copper with bright citrus and stone fruit notes. This Northeast Italian pinot grigio demonstrates winemaking craftsmanship and creativity at its finest; a delicate wine, to complement your meal and refresh your palate between bites.

Precious's Choice

ORIN SWIFT | 165
papillon. napa valley. 2019 cabernet sauvignon, merlot, petite verdot, malbec, cabernet franc

A tremendously smooth and full-bodied Bordeaux blend, the founder named this wine in light of his daughter pointing out a butterfly in the vineyard. 'Papillon' is a wine that's inspired by the softness of his daughter, the working hands of the farmers, and the complexities of life all wrapped in one. You can really taste a balance of grit and softness here.

Ivan's Choice

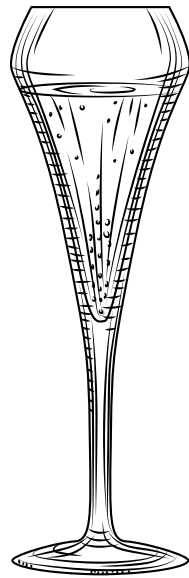

QUINTESSA | 370
rutherford. napa valley. 2019 cabernet sauvignon, merlot, cabernet franc, carménère

When the wildfires swept through Napa Valley in 2020, it was clear how land was affected, yet amidst the devastation, the vines persevered. The soil holds onto the past and the fresh air carries with it a new intensity. All this is reflected when tasting the 2019 Quintessa, we discover the deeper complexities of eras past— with dark fruit, elegant structure, and a quiet strength— we are absorbed with not just the flavor, but the story behind it.

Tianna's Choice

CHAPPELLET | 100
pritchard hill. napa valley. 2020 chenin blanc

As a second-generation family-owned winery, Chappellet strives to be one of the best winemakers of the world. They care for their land just as much as their team, and it really shows in the quality of wines they produce. Chenin Blanc is the only white grape that thrives on Pritchard Hill, where the high elevation and moderate climate allows the grapes to grow slowly, but with concentrated flavor. Next time you reach for a Sancerre, try this wine instead.
