Meet The Chef

Chef Chris love for cooking began at a very young age as he cooked with his grandmother since the moment he was able to form sentences. She would place him on the counter and train his palette to know quality seasoning and the importance of putting love into everything you create.

As an alumni of the Culinary Institute of America at Hyde Park, NY, Chef Chris has cut his teeth in many facets of the industry. This includes luxury hotels such as the Four Seasons, Ritz Carlton, and fast-paced large restaurant concepts with star chefs like Masaharu Morimoto. Additionally, he opened six restaurants in one year as corporate chef in NYC and the Hamptons.

The culinary language and menus ran by Chef Chris are a balance of flavors, following seasonality as best as possible, and embracing local produce. The guest experience is the highest priority for his teams. In conjunction with the General Manager and their team, Chef Chris brings the warmth and care that started his culinary journey to your table.
