Chavost, 'Blanc d'Assemblage' Brut Nature — 38 / 150

Champagne, France - NV - Pinot Noir, Pinot Meunier

A naturally made Champagne built primarily on the 2022 vintage and layered with perpetual reserve, blending Pinot Noir and Pinot Meunier. The fruit is organically farmed on north-facing clay-limestone soils in Chavot, then vinified entirely in temperature-controlled stainless steel with spontaneous fermentation from indigenous yeasts and bacteria. No added sulfites, chaptalization, fining, filtration, acidification, or dosage are used, giving the wine a remarkably pure, unvarnished character. Lively and dry, it shows bright orchard fruit, fresh citrus, white flowers, and a subtle savory edge, finishing with clean, chalky minerality. Textured yet energetic, it's a compelling example of Champagne through a minimal-intervention, natural-wine lens—expressive, precise, and full of personality.
