Anthocyane, “Point de Départ” Assemblage • BOCAGE EXCLUSIVE

36 | 140

Champagne, France NV - Chardonnay, Pinot Noir, Pinot Meunier

Making its U.S. debut exclusively at Bocage, Point de Départ—“the starting point”—is an exciting introduction to Champagne Anthocyane, a young independent house bringing a distinctly modern voice to the region. Built primarily on the 2022 vintage and led by Pinot Noir with Chardonnay and Meunier, it balances generosity and texture with vibrant freshness. Notes of ripe pear, white peach, citrus, and orchard fruit unfold into a long, energetic, mineral-driven finish. Extra Brut with just 2.5 g/L dosage, it is precise, expressive, and beautifully composed. A true first for the American market—and, for now, a Champagne you can only experience by the glass at Bocage.

Chavost, 'Blanc d'Assemblage' Brut Nature

38 | 150

Champagne, France NV - Pinot Noir, Pinot Meunier

A naturally made Champagne built primarily on the 2022 vintage and layered with perpetual reserve, blending Chardonnay and Meunier with a small touch of Pinot Noir. The fruit is organically farmed on north-facing clay-limestone soils in Chavot, then vinified entirely in temperature-controlled stainless steel with spontaneous fermentation from indigenous yeasts and bacteria. No added sulfites, chaptalization, fining, filtration, acidification, or dosage are used, giving the wine a remarkably pure, unvarnished character. Lively and dry, it shows bright orchard fruit, fresh citrus, white flowers, and a subtle savory edge, finishing with clean, chalky minerality. Textured yet energetic, it's a compelling example of Champagne through a minimal-intervention, natural-wine lens—expressive, precise, and full of personality.
