Laherte Freres	325
<i>Extra Brut</i>	
Champagne, France NV - Petit Meslier	
With less than 0.3% of Champagne's vineyards planted to Petit Meslier, this rare gem bursts with zesty lime, green pear, and tropical pineapple, balanced by chalky minerality and racy acidity. Once prized for its freshness but nearly lost due to low yields and delicate nature, this bottle is a living piece of Champagne history. A true rarity—hard to find, impossible to forget.

Champagne, France NV - Fromentau	
A true rarity in Champagne: this cuvée is crafted entirely from Fromenteau (better known as Pinot Gris), one of the seven historic "heritage" grapes of the region that only a handful of producers still champion. The Drappier family, guardians of tradition since 1808, vinifies this grape into a sparkling wine that is both surprising and deeply expressive. Expect ripe orchard fruit, peach skin, and gentle florals on the nose, carried by a supple mousse and a palate that's equal parts textured and refreshing.
