A Note From the President

I want to thank the members who have encouraged new members to join during our membership drive this spring. Please take note of the incentive of a free month's dues when a new member joins through an existing member. Word of mouth is the best way to build our membership!

Items to note this month: We have several charity tournaments coming up. These tournaments are great for our public relations and help bring income to the WYCC. Be sure to read the Weekly newsletter from the Pro Shop and the calendar to stay on top of course closings. Thanks to Josh Hardin and the golf course crew for working hard to keep the greens alive during this drought. Also, take notice of the work on the sand traps.

Carpet has been chosen for the main dining room. We are looking forward to this renovation! Earnie Glover has been working diligently on the pool to ensure it is ready to open on Memorial Day weekend. Frank Cordell has been working the grounds at the pool to make things safe and welcoming for the season. Thanks to all of the employees at the WYCC who keep our club running and welcoming.

I hope to see you on Friday, May 1st, in the Upper Deck for our first "Fridays at Five" social, and I hope everyone has a great month.

Pam Harris

Pro's Corner

As the days get longer and the warm days are more plentiful, there is no better time to get outside and spend time with the people you care about.

There are a bunch of ways to get involved this month. Whether it's The VFW Scramble on May 9th, The Noon Rotary Scramble on May 15th, or the Memorial Day Weekend Couples' Golf event on May 24th, there is something for you to do at the WYCC. Please monitor your emails this month for all the details, and see the calendar portion of this newsletter for dates or events happening at the WYCC.

On May 4th, we will be hosting the NCHSAA 1A regional, featuring our very own Northside Panthers. This team features multiple members who were featured in last month's newsletter; however, the team is coached by members Jared Adams and Jerry Wynne! After all the work these coaches have put in over the season, they have a chance to put it to take their team to the next level and compete for their spot in the State Championship! From after-school practices to weekend rounds played, the dedication is exciting to see.

I look forward to seeing you soon!

SMGA News

Greetings and salutations from what has been a full month of golf for us seniors. Ole Man Weather has finally cooperated and has given us excellent Temps without rain to play in. Lots of results, so here they are.

Superball was won by **Wall, Taylor, and Peck** over **Dennehy, Brown, and Steffanina**. Individual low net won by **Vickers** over **Dennehy** and **Farrar**, (who, by the way, is playing great!) Team low net won by **Vickers, Brown, and Bidle** over **Wall, Sloan, Taylor, and Cooper**. Team low net best 2 won by **Vickers, Brown, and Steffanina** over **Wall, Bidle, and Farrar**. The Low net plus putts were won by Haislet, followed by **Cooper and Paul**.

The results for 4/14 and 16 are AWOL. Team Best 4 Nine Hole scores won by **Haislet, Farrar, Cooper, and Bidle**. The Individual Low Net from different tees won by **Bidle** over **Taylor** and **Haislet**. **Bidle** had 2 birdies and is playing lights out right now.

Congrats to **Vickers** and **Brown** for placing in the recent Member-Member! The Belhaven Dynamic Duo!

As you can see, the wealth has been spread around to lots of us playing, and it sure is fun and competitive! Let's hope the weather continues to be great, but let it rain a bit since our course is terribly dry. Rain on Mondays that lasts a week would be nice!

Please, all seniors, join us for the camaraderie. **Let Pres. Dennehy, Sec/Treas Cooper, or the pro shop know, or call me at 252-945-2406**. We'll see you on the tee box!

News from the Marina

Ahoy there! It is nice to finally get some nice boating weather. Janet and I went sailing on our little Flying Scot last week and had a blast! Took the center console we call "Jolly Mon" to the Washington waterfront this past Saturday and were lucky to find a spot to tie up for lunch. It would be nice if the City Docks would install finger piers, which would accommodate more boats, especially on nice warm weekends.

Thanks to all who attended our Blessing of the Fleet and our Kentucky Derby Party! **Our next event will be our annual Pig Picking to be held on Saturday, June 13th at 5pm**. We are having it a little earlier than normal in hopes of having a little cooler weather for the benefit of our cooks, Earnie and Harley, and for our sake! (Last year was brutal.) Plan to attend this fun event!

Cruise director Mark Hitchcock has planned a cruise to River Forest Marina in Belhaven on the weekend of June 20th, aptly named the Father's Day weekend cruise. We are planning on leaving Saturday morning and spending the night returning Sunday. All boats are welcome! You can call River Forest at 252-943-0320. They monitor VHF 16 and 68. You can drive over on Saturday afternoon and join us for cocktails at 5pm on the dock before dinner, and then join us for dinner. If you haven't already, please pay your annual WYC club dues. We count on your membership to fund our events and support our local community by sponsoring a child and a boat at Little Washington

Sailing School, and back-to-school supplies for the children in September. **Only \$30.00 a year for the entire family.** Thank you! Wishing you fair winds and following seas.
