THE STORY

Z Bar is a lounge inspired by the world's cultural and culinary riches. Featuring iconic views of the city, the rooftop terrace is an ideal place to experience Chicago's wonders. Z Bar embodies the jet-setter's search for surprise, adventure, and yes, a taste of luxury.

Unique cuisine includes elevated shareable bites and satisfying small plates. From Asia, to Europe, to the Americas, worldly flavors are crafted to pair beautifully with the carefully curated cocktail menu, unique fine wines and beers.

At Z Bar, music sets the tone thanks to the work of internationally renowned DJ Alyson Calagna, a producer whose global playlists and custom tracks, developed exclusively for the bar, create an atmosphere that is lively and consistently upbeat. The vibe is casual and soulful, evolving throughout the day and across the seasons, exposing guests to unique music from around the world.

Allow our team of event planners to guide you through the unique interior and outdoor spaces and internationally-inspired menus to help bring your celebration to life.

OUR EVENTS

Z Bar accommodates private and semi-private, customized events for brunch, lunch, dinner or late night. Our spaces are versatile in creating exceptional events, whether it be a business reception or a birthday celebration.

For larger groups, full buyouts of the rooftop lounge are available based on availability. Full buyouts include exclusive use of our entire space, including the indoor bar and lounges, the outdoor terrace and fire pit.

Each space carries a minimum, dependent on the space, time and day of week. Your event specialist will work with you to determine which of Z Bar's spaces will best suit your event, as well as confirming date availability, specific pricing, and minimums.
