Private Events at Sonoma:

A unique location at the heart of Capitol Hill

Sonoma Restaurant is a premier private event venue on Capitol Hill

Sonoma is one of the city's premier private event locations, and frequently hosts political, corporate, and media events for members of Congress, in addition to hosting intimate neighborhood events for personal celebrations.

Sonoma offers a variety of food and beverage packages that make it the perfect location for birthday parties, intimate and exclusive wine dinners, cocktail parties, product launches, and community fundraisers.

Our private event menus feature our from-scratch kitchen, where we cook local and seasonal ingredients with global influences. You'll find classics like housemate meatballs and beef bourguignon alongside elaborate charcuterie boards, house cured salmon, and delicate desserts.

Intimate dinners or large receptions - our private rooms can fit any event

On Sonoma's second floor, you'll find an expansive private lounge which overlooks the Library of Congress and Pennsylvania Avenue. And towards the back of our second floor you'll find a secluded dining room suited well for quieter functions.

You can even combine these two rooms for a buyout of our entire second floor.

Whether you're planning an intimate dinner for a dozen friends or business associates, a contemporary, warm atmosphere for a reception, or need totally private space for a political fundraiser, Sonoma can accommodate your group.

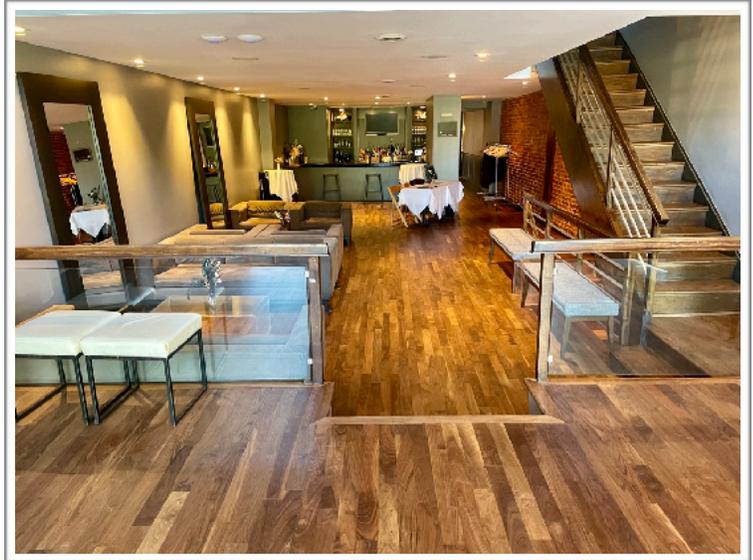

With space for up to 275 guests for a cocktail reception, we'll tailor our spaces to fit even the largest gatherings.

Event Spaces

Avenue Lounge

The second floor Avenue Lounge features an open floor plan, furnished with contemporary sofas and club chairs, and is perfect for larger private events for groups larger than 40. It is an airy, elegant space with a raised stage and two-story fireplace, and has capacity for 65 guests for a seated event or 100 standing, with a ceiling height of 9-20 feet. It is our recommended space for large cocktail receptions, fundraisers, media events, and seated luncheons or dinners for more than 40 guests.

We offer many styles of room set ups, including all standing, combination standing with lounge seating, or fully seated. This space is ideal for a large speaking panel or standing reception, or smaller events wishing to combine a standing cocktail reception with separate seated dinner.

First Floor Main Dining Room

The First Floor Main Dining Room is Sonoma's only ADA accessible private space, and can be reserved on select dates and times subject to the owner's discretion. The Main Dining Room can host up to 60 guests for a seated lunch or dinner, or up to 125 for a standing reception. This space is popular for holiday receptions - ask the event manager for more info and photos featuring holiday decorations.

Full Restaurant Buyout

The entire restaurant at Sonoma (first, second, and third floors) can also be rented for large daytime events, and is ideal for large events for 150-275 guests with full privacy. The three separate rooms can be set up in a variety of event styles (fully seated for up to 150 guests, standing for up to 275 guests, and combinations of both). Frequently Asked Questions

Q: What kind of environment and service can I expect at Sonoma?

A: Sonoma is a casual, upscale bistro. Servers are attentive and well educated in the food and wine at Sonoma. Private events will experience fine dining service in a casual environment.

Q: How are your prices determined?

A: Sonoma's prices are highly competitive with other Capitol Hill and downtown Washington event spaces, and reflect the following considerations:

- Unlike many restaurants, Sonoma does not charge a "room" fee, regardless of whether your private event is for 10 or 100 guests.
- Our per-head prices reflect our extensive experience with how much food and beverage the average party is likely to consume during a 2 hour period, and bottomless beverage packages include unlimited pours for 2 hours.
- Sonoma does not include professional party planning charges or other hidden fees. Instead, we charge a flat 24% House Fee that covers staff compensation for food and beverage preparation, room set up, service, and cleaning after your event, plus covers other costs such as rented event materials, and event space maintenance.
- All of our food - from buffet lunches to reception appetizers - is sourced locally and made on site in our from-scratch kitchen, and beverages are sourced from the highest quality local and international purveyors. Our prices reflect the care and attention put into the source and preparation of every ingredient.

Q: How do I reserve space?

A: You can confirm the availability of a date by emailing the Sonoma events manager, Hilary Smith, at events@sonomadc.com. If the date is available, a private room can be reserved only after a signed contract has been returned and you have received a confirmation email from the events manager. Signed contracts are accepted on a first come, first served basis and we do not offer soft holds for date inquiries.

Q: Can I have live music for my event?

A: Yes, Sonoma can accommodate live music for a private event. You will need to hire the band, musician, or DJ on your own and coordinate any early load in or sound check needed in advance with Sonoma's event manager.

Q: Can I decorate for my event, and can I arrive early to set up?

A: Yes, you are welcome to bring and display any decorations, signage, giveaways, or branding materials for your event. Thirty minutes of free set up time is included with your room rental, but we also offer earlier load in times, as long as arrangements are made in advance with the event manager.

Q: How long will my event last?

A: Lunch reservations will last 1.5 hours, and dinner and cocktail reception reservations will last 2 hours, unless you request a longer event time. Ask manager for prorated minimum revenue fees for longer events.

Q: Can I buyout the first floor main dining room in addition to the second floor spaces?

A: Yes, you can buyout the whole restaurant. Please ask our event manager for buyout availability and minimums.

Q: Can I book the space without seeing it first?

A: Booking a space without seeing it is permitted, but we strongly advise visiting for a tour of the room you are interested in. We can also provide lots of photos of all event spaces if you are unable to visit in person.

Q: Is your private event space accessible for those with wheelchairs or disabilities?

A: Our building is over 100 years old and our private event spaces are on the second floor, as such, we regret that these spaces are accessible only by stairway and are not ADA accessible. Unfortunately, we have no elevators, ramps, or other features that make the second floor space easily reached by those in wheelchairs or with difficulty climbing stairs.
