

DANTE

Dante Elizabeth Street is our love letter to New York.

A celebration of the people, the places, and  
the little rituals that make this city feel like home.

On Elizabeth Street, we've found a truly magical part  
of downtown. A street with soul, history, and a spirit  
all its own, the kind of place that feels as though it  
has been waiting to become part of the Dante story.

At the heart of Dante is the Italian art of aperitivo,  
slowing down, gathering together, and finding beauty in  
the simple pleasure of being here. A perfectly stirred  
cocktail, an afternoon that drifts into evening, a dinner  
that lingers, a familiar face at the bar.

For us, hospitality is in the details,  
how you're welcomed through the door, remembering  
your favourite drink, knowing your name, and making  
you feel that you belong.

We hope Dante Elizabeth Street becomes your place for  
all of it, a neighbourhood gathering place filled with  
conversation, celebration, friendship, and  
a little New York magic.

Your table.  
Your bar.  
Your place on Elizabeth Street.
