Dante Aperitivo is our love letter to New York City - a celebration of the moments, the people, and the neighborhood that make this city feel like home. At 51 Bank Street we've found a corner that feels as magical and storied as the city itself a true gem where history, charm, and community come together.

We honor the spirit of the Italian aperitivo: slowing down, gathering with friends, and savoring life's simple pleasures. Here, every detail matters from the way a cocktail is stirred to the way you're greeted at the door. We believe in genuine hospitality, in remembering your favorite drink, in knowing your name.

We hope you feel part of something timeless a community bound by conversation, by ritual, and by the enduring romance of New York.

This is your neighborhood bar.
Your corner of New York.
Welcome home.
