

ATOMA WINE LIST

For millennia, we have enjoyed wine alongside friends, family and food. Here at Atoma, we firmly believe wine elevates the seasonal food the chefs create every day. This wine list is curated with that philosophy in mind—the best wines with the best food, so we encourage you to explore what we offer in this book.

Adventurous Paths

Beverage pairing: Relax and sit back while beverages are paired from both our bar and wine team. Expect to enjoy two miniature cocktails and a selection of 3 oz wine pours.

95

Wine pairing: If you're a wine enthusiast like us, this one is just for you. This pairing will feature all styles of wine prepared by our wine team. Expect to enjoy a minimum of 3 glasses throughout your experience.

85

Splash Mountain: Love bubbles?

Why not two 3oz Champagnes glasses?

39

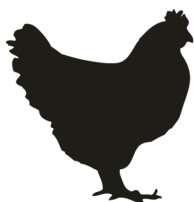

The Blind Traveler: Feeling daring? Blind taste 4 different glasses at 3oz each selected by our beverage team. Allow your palate to do all the work without any power of suggestion!

65

Ask about the chicken decanter!!

Check out page 4 and 5 for glass pours!

New World VS Old World:

Take the time to compare some of the best wines produced in our backyard against history and families that have been producing wine for centuries. Do you feel brave enough to try this blindly and guess which is which? 3oz of each wine.
