Flavor South Florida Returns With Record Number Of Restaurants

From Boca Raton To Sebastian, Diners Can Enjoy Affordable Prix Fixe Offers

Hungry for a deal? Flavor South Florida, Florida’s largest restaurant month-long dining event, is returning this September with a record 101 participating restaurants. From Sept. 1 to 30, the best restaurants in South Florida and on the Treasure Coast will offer affordable prix fixe menus ranging from \$25 to \$65. Diners can enjoy lunch, brunch and dinner specials at restaurants spanning 122 miles – from Boca Raton to Sebastian.

Flavor South Florida boosts business for restaurants during the slowest tourism month in Florida. Last year, Flavor South Florida generated \$1.3 million in revenue for local restaurants with an estimated 300 million diners.

“During the summer months, restaurants rely heavily on local customers to drive business, while locals actively seek out attractive promotions and value-driven dining experiences,” said Kerri Paizzi, Flavor South Florida’s CEO. “Flavor is the perfect time of year for restaurants to unleash their
