Fill out and return the PDF contract by emailing it to captain@barmarseille.com. Written confirmation from our events team and a 50% deposit run on the card that you put on file will confirm the table booking.

What menu will be offered?

The majority of the menu on our website will be offered for your Bachelorette package - you can select three appetizers, three entrees and three sides to be shared by the table. The kitchen will put out enough food for everyone to enjoy. Please note that our menu offerings do rotate seasonally and are subject to market availability.

The menu can be viewed on our website.

Are substitutions or modifications to the offerings allowed?

Substitutions and modifications are typically not allowed, but a la carte additions are always offered as an option. If you have a dietary restriction we will do our best to offer an accommodation but we do ask for written notice of these restrictions at least one week in advance of your reservation. Our menu contains many gluten free and dairy free options.

When should I make my menu selections?

You can make your menu selections at the time of your dinner, directly with your server. Pre-ordering is not necessary.

Can I substitute cocktails or spirits for the wine included in the package?

No, but you can order any cocktail pitchers or individual pitchers that you would like during dinner, which will be added to your bill at standard a la carte pricing. If any guest in your party places an order with the server (such as a premium spirit or additional food) it will be charged a la carte and prepared accordingly. The servers are not instructed to check in with the host before fulfilling any requests made by members of the party.

How do you accommodate special dietary needs?

Our menu contains many gluten free, dairy free, vegetarian and vegan options. You can select a menu that accommodates these dietary needs; alternatively, you can order additional a la carte items which will be added to your bill at standard a la carte pricing.

What if I want to make a normal dinner reservation instead?

You may make a reservation via Open Table - a la carte reservations open 60 days before the date. Please note that a large party prix-fixe menu may be required.

How long is the unlimited wine offered for?

The unlimited wine will be offered for 2.5 hours from the start time for dinner and from 2 hours from the start time for brunch. Per your contract, the start time is defined as either the contractual start time of your reservation, the time at which the first guest sits at the table, or the time at which the first inclusive glass of wine is poured, whichever comes first.

Do you have live music?

Bar Marseille hosts live music and DJs on most weekends. Please refer to the entertainment event listings on our website under the 'Entertainment' tab for the most up to date information.

What if I want a private space or other accommodations beyond the scope of the Bachelorette package?

Please email events@calissahampton.com to book a private event. Additional fees and minimums will apply.

What if a member of my party doesn't drink?

We offer a no beverage dinner option at \$95 per person for non-drinkers. Please make a note on both your contract and via written email as this accommodation is offered with prior notice only.

Can I specify my wine?

All offered beverages are selected by the restaurant and options rotate seasonally. You always have the option to order from our wine list or glass pour list as an a la carte addition to your bill.

Can you guarantee a particular table or dining area?

We do not guarantee a particular table or dining area.

We are unable to guarantee outdoor seating, indoor seating, seating near live music, or otherwise.
