

# O S T E R I A G E O R G I

In addition to the terms of Executive Order 220, and all subsequent COVID-19 related Executive Orders, the following additional restrictions are mandatory in Orange County;

**Face Coverings are REQUIRED in all indoor public places including public transportation facilities and vehicles.**

What we at Osteria Georgi are doing:

- Each team member is required to wear a mask on premise. We are working towards a 100% vaccination rate.
- Per local mandates and CDC recommendations, all guests, regardless of vaccination status, are required to wear a mask indoors unless actively eating and drinking. At this time, we are not requesting proof of vaccination from our guests.
- Team members are sanitizing door handles, computers, and common areas each hour.
- Staff are continuing to wash their hands between guest interactions and before handling food.

While we would love to welcome everyone for indoor dining, we respectfully request that unvaccinated guests or those unable to wear a mask enjoy our menu by placing a takeout order.
