warning

Lighten up! Tucker Duke's Lunchbox is not politically correct. If you are easily offended, there's a good chance you'll be offended here. Consider yourself warned, AND REMEMBER IT'S ALL IN FUN. We believe that tact is for people who are not witty enough for sarcasm.

need to know

Tucker Duke is Chef Brian Cartenuto's dog. Tucker is a Great Dane & Lab mix. Tucker Duke's Lunchbox creates some of the best burgers, sandwiches and blue plates around. We cook everything to order.

Great Food, Not Fast Food.

seating & strollers

During peak hours, we reserve the right to hold off on seating your party until everyone is present. We seat to maximize our capacity and therefore will seat parties of two to two tops and parties of 4 or more to appropriate tables. Strollers are usually not allowed in the restaurant. This is a space & safety issue.

coupons & discounts

We do NOT combine coupons, discounts, special offers, etc. One coupon/discount/special offer per group, table, party, etc. If it's Tucker Tuesday, no other coupons can be used with a Tucker Tuesday deal, etc. And remember, TIP IS NOT DISCOUNTED, and taxes are not discounted. Please take care of the servers based on the ORIGINAL UNDISCOUNTED BILL! Basically, don't try to take advantage of the system - don't worry, we won't let you :)

our ingredients

We strive to use as much local, seasonal, sustainable food sources as possible, when available. We make our own ketchup in house, that is free of high fructose corn syrup, and made with great natural ingredients, like all of our food! Tucker Sauce is our spin on Mississippi's version of remoulade and is great, hence why we make and use it. And speaking of "regular," we do not serve "regular" or "ordinary" or "standard" burgers. If we did we'd be the other guy, and that's way too easy and boring.

cell phones

Cell phones are **not** banned at Tucker Duke's. Since Tucker Duke's Lunchbox employees aren't on the other end of the call we won't be talking to anyone using a cell phone at the door, tables, or at the counters.

tip...

Please help us maintain a quality staff. Tip them. Tipping is how our servers earn their living. So if you think tipping is a scam then stay home with a TV dinner and watch wrestling. If our servers are not up to snuff please let us know, we will take care of it.

separate checks

If you would like a separate check, please notify your server when placing your order, otherwise you're just going to screw up the system.

warning... undercooked or raw meat

All our hamburgers are cooked to the required minimum temperatures. Upon request, we will cook to your specifications. However, consuming raw or undercooked hamburgers may increase your risk of foodborne illness.

warning... we are not a nut free or gluten-free facility

Please let your server know if you have a nut or gluten sensitivity or allergy. We will do everything in our power to keep you from having to use an epi pen.

whining...

NONE will be tolerated!
