New And Notable: Restaurant Openings Now And Into 2027

From storied revivals to chef-driven debuts and concepts that blur the line between dinner and culture, this season's restaurant openings offer plenty worth booking. Below are the tables to know now and into 2027.

NOW OPEN

PHILIPPE CHOW FIFTH AVENUE - NEW YORK, NY

The brand's largest location yet spans two stories and 7,000 square feet. Design studio //3877 translates two decades of history into a maximalist Art Deco space, with a burgundy bar, a brass-clad staircase, crocodile-embossed walls and a gold-leaf dome.
