MENUS

Menu prices are subject to change at any time due to seasonality and product availability. In order to serve the freshest ingredients, all menu items may change up to 24 hours prior to your event without notice. Menu prices are exclusive of any beverages, tax, or gratuity. We will print food and beverage menus for your event and you may customize your menu with a title or logo upon request.

ALLERGIES & DIETARY RESTRICTIONS

We will accommodate almost all dietary/allergy restrictions or preferences to the best of our ability (including but not limited to: vegetarian, vegan, gluten-free, non-seafood eaters, and nut allergies). Chef will make individual modifications/substitutions to portions of any dish that requires altering due to the needs of the guest (so everyone can participate without having to alter the menu for everyone in your party). To best serve your guests, please let us know ahead of time if there are any dietary/allergy needs in your group. Due to seasonality and product availability, all changes will be confirmed no earlier than the night of the event with your guest.

FINAL GUEST COUNT

The final guaranteed guest count is due no later than 72 hours prior to your event. This is the minimum number of meals that you will be financially responsible for, regardless of actual attendance. It will not be subject to reduction after the 72 hour deadline. In the event of an increase to your final guaranteed guest count we will do our best to accommodate, but we cannot guarantee staffing and product availability for more than 5% after the 72 hour deadline. Guest count increases over 5% of the guarantee must be approved by The Pretender management. Any increases communicated to the restaurant after the 72 hour deadline will become the new guaranteed guest count, regardless of actual attendance.

AUDIO VISUAL

The cost to use our A/V equipment is $100, which includes access to our microphone and use of the TV screen available in the bar. You are also welcome to bring your own equipment at no additional charge.

RENTAL

Reach out to the private events manager for pricing on renting out the restaurant.

LIVE DJ

The host may request a DJ for the evening for an additional fee. The DJ will operate the venue's available sound system for the duration of the event.

BRING YOUR OWN VINYL

Guests who prefer their own vinyl experience are welcome to bring their own vinyl records for the DJ to incorporate into the evening's music selection. Vinyl records should be brought in appropriate protective cases and clearly labeled. The DJ will make reasonable efforts to accommodate requested records and selections based on the flow and timing of the event.

FURNITURE REMOVAL

Table arrangements are limited, and removal of furniture would be subject to additional fees based on the scope of the request. Please contact the Event Sales Team for a quote based on the necessary setup and arrangements.
