LVCC Welcomes Extreme Pizza as Newest Member

On Monday, December 12, 2022, the Livermore Valley Chamber of Commerce welcomed its newest member, [Extreme Pizza](#), with a Ribbon Cutting Ceremony. They are located at [1608 Holmes Street](#) in Livermore.

From their website:

The Extreme Team Philosophy & How It All Started

If you want to get a sense of our business philosophy, all you have to do is pick up a slice. There's no better testament to "Dedication to Quality, Commitment to Innovation" than the pizza itself. Our dedication to quality comes from a strict policy to use only the freshest ingredients, the tastiest combinations of toppings, and a mouth-watering store-baked crust. As for the innovation side of things, well that's easy. Think about it. What does an office full of freethinking, pizza connoisseur daredevils get you? It gets you mandarin oranges, Canadian bacon, pineapples, mozzarella, and cheddar (Paia Pie). It gets you black beans, grilled chicken, olives, onions, cilantro, and cheddar (Baja 1000). And for the politically savvy pizza-eaters, it gets you homemade hummus in place of tomato sauce, tomatoes, olives, feta, fresh basil, pepperoncini, and mozzarella (Peace in the Middle East). This is the sort of pizza invented by people who sail from kites, who snowboarded before there were snowboards, and who learned to always color outside the lines.
