SANCERRE

as pretty to say as the wines are to drink, Sancerre has become the world's most popular white wine. below are some of our favorite producers, young and old, icons and iconoclasts, all focused on regenerative and biodynamic farming, and letting their wines do all the talking

VINCENT DELAPORTE 'chavignol' 2023 — 118
in family hands for more than 300 years

DANIEL CHOTARD 'racines' 2024 — 143
the family has been making wine in the valley for over 200 years

PASCAL JOLIVET 'caillottes' 2023 — 155
a fuller, richer style, named after the 100% limestone vineyard plots

ALPHONSE MELLOT 'satellite' 2022 — 160
19 generations and 500 years, still going strong

GÉRARD BOULAY 'clos de beaujeu' 2023 — 175
this vineyard has supplied wine to the church since the 14th century

VINCENT GAUDRY 'constellation du scorpion' 2023 — 195
'pour vous' 2021 — 350
'mont damné' 2022 — 425
'à mi chemin' 2021 — 600
the latter two are unicorn, profound bottlings, old vines only

PASCAL COTAT 'monts damnés' 2023 — 225
These vines are harvested late, pushing the boundaries of ripeness

HUBERT BROCHARD 'côtes de monts damnés' 2022 — 250
these 'damned mountains' with steep slopes are among the best vineyards in sancerre
