SANCERRE

as pretty to say as the wines are to drink, Sancerre has become the world's most popular white wine. below are some of our favorite producers, young and old, icons and iconoclasts, all focused on regenerative and biodynamic farming, and letting their wines do all the talking

VINCENT DELPAORTE 2022 118
in family hands for more than 300 years

PASCAL JOLIVET 'caillottes' 2023 155
a fuller, richer style

ALPHONSE MELLOTT 'satellite' 2022 160
19 generations and 500 years, still going strong

VINCENT GAUDRY 'constellation du scorpion' 2023 175
'pour vous' 2021 350
'mont damné' 2022 425
'à mi chemin' 2021 600
the latter two are unicorn, profound bottlings, old vines only

PASCAL COTAT 'monts damnés' 2023 225
These vines are harvested late, pushing the boundaries of ripeness

HUBERT BROCHARD 'côtes de monts damnés' 2022 250
*these 'damned mountains' with steep slopes
are among the best vineyards in sancerre*
