A NOTE ON CORKAGE

While our selection is broad, we realize that for some bottles there is simply no substitute. We welcome you to bring wines from your cellar to enjoy with dinner. Our **CORKAGE FEE** is **\$75 per 750mL bottle** (limit two bottles per party.) We waive one corkage fee for each bottle of wine or pairing purchased from us. Sharing a pairing will be a great complement to that bottle from home. That way you get to try the things we think go perfectly with our menu, as well as enjoying something special to you!

20% Service Charge Added To All Purchases

THE LAZY BEAR WAY

Our Beverage Menu contains a great deal of exciting options, it also contains, well, a great deal of options. Should you choose to enjoy an evening free of decisions, the Lazy Bear Sommelier Team has you covered. Each night, we dig deep into our cellar to find wines that highlight not only each dish but also the dynamic progression of the menu our chefs have put together. Our team of sommeliers will offer some context for each of those pairings as the evening progresses.

THE PAIRING will include a healthy tasting pour of seven beverages. For those concerned about over-imbibing, one pairing is designed to include 3.5 glasses over the course of your meal. If you would like to share a pairing, that can be arranged, the cost is **\$155 per pairing**.

We also realize that YOLO is a truth these days! If you want to treat yourselves, please inquire about our very special old and rare pairing available for **\$500 per pairing**.

Sincerely,

Andrey Ivanov, MS, Wine Director
Jacob Brown, Head Sommelier
Megan McGannon, Lead Sommelier
