SPARKLING

CORPINNAT

CORPINNAT is a collective European Union brand established with the aim of distinguishing great sparkling wines made in the heart of the Penedés from 100% organic grapes harvested by hand and entirely vinified on the premises of the winery.

2017 Gramona "Imperial", Brut 80

- Xarel·lo, Macabeu, Parellada & Chardonnay -

In the mouth it shows the very fine and creamy bubbles typical of his sparkling wine. It is ample and at the same time lively and refreshing. Aromas of baked apples and pastries return.

2018 Recaredo "Terrers", Brut Nature 100

- Xarel·lo, Macabeu & Parellada -

A harmonious Cava, dry and lacy in texture, with a pleasing creaminess to the well-meshed flavors of white raspberry, biscuit, and lemon parfait, underscored by a streak of smoky mineral.

2014 Gramona "III Lustrós", Brut Nature 112

- Xarel·lo & Macabeu -

The entry on the palate is powerful, with great structure. The very fine bubbles melt into the wine and provide a velvety texture. It has great freshness and verticality, with a finish full of mineral sensations.

2004 Gramona "Enoteca", Brut Nature 300

- Xarel·lo & Macabeu -

This sparkling wine reveals some surprising aromas derived from the over 15 years spent in contact with its yeasts: hints of coffee beans, toffee, and pure cocoa. The wine is fresh on entry with surprisingly fine bubbles. Silky yet lively with a fresh finish possessing a pleasant and sustained acidity.

DO CAVA

The origins of Cava lie in the winemaking area of Penedés, especially in the town of San Sadurní d'Anoia and its surroundings, which has earned the title of Cava capital. However, for historical reasons, Cava can also be made in certain other towns and regions.

*NV Marqués de Cáceres, Brut 60
- Xarel·lo, Macabeu, & Parellada -*

Pale straw color revived by fine bubbles. Bouquet of brioche with a hint of apples and white flowers. Dry and balanced in the mouth with good length intensified by its fine bubbles.

DO RIBERA DEL DUERO

Ribera del Duero is one of the most important wine areas in Castilla y León, Northern Spain. Its reputation is largely thanks to the high - unique - delicate - quality of its red Tempranillo-based wines. The region is characterized by a largely flat, rocky terrain and is centered around the town of Aranda de Duero, although the most famous vineyards surround Peñafiel and Roa de Duero to the West.

2020 Pagos de Anguix “Ocho Dos Dos” 80

- Tempranillo-

Bright red color, tinged with violet. Currant and blackberry aromas predominate, with very elegant freshness. The mouthfeel is balanced, with soft tannins and fruity aromas. A long, generous aftertaste, with elegant nuances deriving from the oak ageing. A fresher and more modern style, prioritizing the character of Tempranillo over wood.

2018 La Horra “Corimbo” 100

- Tempranillo-

Deep and spicy with some savory dried herbs to the dark black cherries, cured meat, cocoa powder and spices that extend to a powerful and tight frame of tannins that envelops the fluid black fruit on the palate. Some red fruit, too. Long, juicy and bright finish.

While rich and creamy, this offers fine counterpoints to the lush flavor profile through citrus pty67eel acidity and a mineral base note.

2020 Emilio Moro “Malleolus” 110

- Tempranillo -

An expressive, full-bodied red, with rich flavors of blackberry coulis, black plum reduction, tea leaf, white pepper and mineral riding a plush texture. Modern in style, this is framed by fresh acidity and firm, fine-grained tannins.
