

# Catering

Brandon's Donuts are the perfect treat for any special occasion! Birthdays, holidays, showers, weddings, gender reveals, corporate events or any special day you have planned, count on us to make it a sweet one!

**Minimum of 2 dozen to reflect catering prices (prices exclude tax & gratuity).**

**Small orders of 1-3 dozen must be placed 24 hours advance. Orders of 4 dozen or more must be placed 48 hours in advance.**

**Custom flavors must be placed 1 week in advance as we need time to gather ingredients (depending on the request).**

**We offer custom writing, colors & designs for any occasion!**

# Delivery

We offer delivery via Uber courier service. We will not know the delivery cost until we order your Uber. Your Uber cost will be added to your grand total.

Once the Uber is scheduled & your donuts are en route, we will share you on the ride & text you to make sure you're able to track it on your Uber app. Once you confirm you've received the share, it's your responsibility to track the ride and meet your driver upon arrival (the driver does not leave the car, you must meet them).

We are not held responsible for any missed deliveries as it is your responsibility to track the ride once it leaves Brandon's Donuts. If you do not answer the phone when your driver arrives and miss your delivery, you will still be charged the grand total of your order.
