ABOUT GBSC

The Gotham Burger Social Club gained widespread popularity through its Pop-Up's during the pandemic. What started out for Mike Puma as a hobby, reviewing and making burgers, had turned into the most successful and popular pop-up NYC had ever seen! After 3 years of serving a community, helping bars and restaurants, and leading the smashburger craze, the Gotham Burger Social Club's flagship is located at 131 Essex Street.

In addition to their Award Winning Burger, People's Choice Award at 2021 SOBEWFF, they will offer their signature chopped cheese taco, crispy fries, homemade onion rings, frickles & more. To wash down all this delicious food, Gotham Burger serves classic Egg Creams to honor the Lower East Side and the nostalgic roots that built the Gotham Burger Social Club.
