North Fork Wine

There has never been a better time to drink North Fork wine. Our local list is inspired with pride in our region and pride in our dirt. The wines of the North Fork capture the spirit of the 'New World' which respects tradition but is unafraid to embrace bold change. Well-known grape varieties like Merlot and Chardonnay are grown, however the sandy soil and maritime climate creates dramatically different results to its European counterparts. No longer overlooked, North Fork is making a name for itself.
